and living eÁÁÁeÁÁÁ At the core of all good writing (and copywriting) is the sentence. And, besides Hemingway, I canéÁÁÁt think of a better craftsman of the single sentence than the late indie poet and novelist, Charles Bukowski. I picked up Bukowski for the very first time this year, beginning with arguably one of his most widely-read works, The Post Office. (I wrote down my favorite line from it and the other twenty-five books IéÁÁÁve read so far this year, here). Two, maybe three pages in, I felt like slapping myself in the face eÁÁÁeÁÁÁ I couldnéÁÁÁt fathom how I had spent so much time on this planet having never read him. While his writing style was less polished than HemingwayeÁÁÁs, it had just as much punch and arguably more tenacity. For the unfamiliar, reading Charles Bukowski is like going for a ride on a Honey Badger eÁÁÁeÁÁÁ nothing is off-limits, nothing is too scary to write about and you never know what the hell he is going to do or say next. 75 Charles Bukowski quotes (make sure your back is to a wall). I did some digging and in my opinion, here are BukowskiéÁÁÁs hardest-hitting lines. Make sure youéÁÁÁre sitting down. If you begin to feel light-headed, take a breather. Some people never go crazy. What truly horrible lives they must live.I donéÁÁÁt like the clean-shaven boy with the necktie and the good job. But many people did just that, friends and relatives mostly.Hello, Death. But IéÁÁÁve had almost 6 decades. IéÁÁÁve given you so many clean shots at me what I should have been yours long ago. I want to be buried near the racetrackeÁÁÁ where I can hear the stretch run. Sandra is the slim tall ear-ringed bedroom damsel dressed in a long gown, sheeÁÁÁs always high in heels, spirit, pills and booze.My 6 foot goddess makes me laugh the laughter of the mutilated who still need love. She was always thinking of sex, she carried it around with her like something in a paper bag. Your boys can keep your virgins give me hot old women in high heels with asses that forgot to get old. Your poems about the girls will still be around 50 years from now when the girls are gone, my editor phones me. SheeÁÁÁs from Texas and weighs 103 pounds and stands before the mirror combing oceans of reddish hard which falls all the way down her back to her ass. When I think of her life and compare it to other lives more dazzling, original and beautiful I realized that she has hurt fewer people than anybody I know (and by hurt I simply mean hurt). She has had some terrible times, times when maybe I should have helped her more for she is the mother of my only child and we were once great lovers, but she has come through, like I said she, has hurt fewer people than anybody I know, and if you look at it like that, well, she has created a better world. She has won. Frances, this poem is for you. She knew what she wanted and it wasnéÁÁÁt me. I know this post: heeÁÁÁs just like the rest of us: heeÁÁÁll vomit anywhere for money. your your drinking, What they want: a damn billboard shows a lit billboard in the middle of hell. Thats what they want, that group of admirers of graceless and gloomy carnivals. And if you don't have the capacity to love, love yourself first. And nobody ©m finds one, but they keep looking in and out of beds, I wonder if she thinks I could save her? They disgust me, the way they wait for death with as much passion as a sign of fear. Watching the bull catch the killer, that's the best. I saw a beautiful blonde girl open up a young man there and kiss him with what looked hungry and I came across and watched until they broke up. When I think of myself as dead, I think of someone making love to you when I'm not around. And you didn't invent me, and I invented you, and that's why we don't get along. There's always a woman to save him from another. We see it too late: after the stick is swallowed, the heart follows, it has red hair like a ray of the cÁ© u. I'll die alone the way I live. He was a man who prospered in solid form. Without him, I was like another man without food or water. Every day without solid would weaken me. Rejoice. Maybe you're not famous after you're dead. She must have a suction pump for a pussy. Look at his hands. He has the most beautiful hands. You can't see it never worked. When you didn't drink, the world was still out there, but at the moment you didn't do it in your throat. I'm a child, but no one knows about me. As always, Carmen wore a very tight knit dress that fitted her as a balm fits the trapped air, perhaps tighter. 3 don't really have anything to do but drink wine and make love. How the hell could a man like to be woken up at 6:30 in the morning by an alarm clock, jump out of bed, dressed, hunted, shit, piss, brush teeth and hair and fight traffic reaching a place where it essentially made a lot of money money Another person and was invited to thank the opportunity to do so? She was desperate and was chosen at the same time and, in a way, beautiful, but she had not enough for her to become what she imagined. Some people do not like anyone who is famous. Some people do not like anyone who is not in the sun and rain, during the day, and at night the pain is a flower, the pain is flowers, flourishing all the time.
